

Honest Conversations with Muslim Neighbors

***Who are our Muslim neighbors ? What do they believe ?
How have they been affected by extremist actions worldwide ?***

Hear 4 greater-Hartford-area Muslims share their stories,
and respond to questions such as:

Why don't we hear moderate Muslims speaking out against extremism ?

Why do some girls and women wear Muslim dress and others do not ?

What does the Qur'an really say about people of other religions ?

American Muslims don't have all the answers,
but our guests will respond out of their own experiences,
raising issues that concern them as well as us.

Together, in conversation,
we can promote a more peaceful world for everyone.
